The competition is fun and every participant will get a free t-shirt just for entering the contest.

This is a FREE event for children who want to have fun on the last day of the fair. If you would like to try pedaling a small size tractor down the track with a weight transfer sled behind it this is for you! If you cannot pedal or don't know how to yet we even have a "scoot tractor" for children under 2 years old to try their skills. There are three bigger tractors provided for the older children to use.

The kiddie tractor pull is one of the oldest contests for children at our fair and enjoyed by young and old. Bring the family and friends to cheer on your little puller!

Please bring this registration with you or complete at the event:
