# **Some Simple Rules for the Kids' Corral**

- 1. Parents must accompany a child. Please make sure the children mind their manners with all workers and other visitors.**
- 2. We will be serving some good grub, so if your child has any food allergies please let us know!**
- 3. We've been working year 'round to make the Kids' Corral a lot of fun and FREE for visitors. We'll be taking pictures and video to show off our work. If you don't want your child's picture used in promotional material, we ask that you stay out of the way of the camera. (Best place for this is outside the perimeter of the tent.)**
- 4. Park your horse outside, 'cause no horsing around is allowed in the tent. No rough riding either.**
- 5. Please clean up your spot when done.**
