A FREE event for children who want to have fun on the last day of the fair. If you would like to try pedaling a small size tractor down the track with a weight transfer sled behind it this is for you! If you cannot pedal or don't know how to yet we even have a "scoot tractor" for children under 2 years old to try their skills. There are three bigger tractors provided for the older children to use.

The kiddie tractor pull is one of the oldest contests for children at our fair. It is very popular with the children and adults who watch them. For about 37 years the Bilyk Family, as well as a crew of volunteers, and many, many sponsors have given donations of money and time to make this a very successful event. Prior to that it was run by the Fair Committee and then Secretary Aunt Marie Rosemeier.
