**Health**

Any exhibitor showing at the Warren County Farmers Fair must be in compliance with New Jersey Division of Animal Health recommendations for New Jersey Fairs, shows and sales. All animals must be free from infectious or contagious disease.

- A. A valid (official) Certificate of Veterinary Inspection (CVI) signed by an accredited New Jersey Veterinarian must accompany all native New Jersey Animals. The CVI must indicate that all animals of the species to be exhibited on the exhibitor's premises have been observed by a veterinarian and found to be free of any signs of infection or contagious disease. The official New Jersey Certificate of Veterinarian Inspection is valid for 30 days in New Jersey. Animals originating from other states must be accompanied by an official Interstate Certificate of Veterinarian Inspection in compliance with New Jersey's import regulations. All domestic animals requiring CVI for exhibition must be individually identified by one of the acceptable species methods and it must be listed on the health certificate. If any additional identification is present, it should also be listed. CVI must be checked by a fair director and/or their designee and/or veterinarian.
- B. All animals which are eligible for an approved USDAA rabies vaccination should be current on rabies vaccinations, and proof of vaccination by a veterinarian should be provided.
- C. All animals must be free of ringworm and pinkeye.
- D. Animals not meeting health regulations will be asked to leave the grounds.
